Privacy Policy

Smart IT Pty(Smart IT Pty Ltd) has created this privacy statement to demonstrate our commitment to protecting the privacy of all private and professional persons accessing our website.

We comply with requests from individuals to remove their names from our data-base.

- Your server IP address
- Campaign advertising response leads
- Day and time of the visit
- Website pages viewed
- Files downloaded
- Time spent on individual pages

We do not store your credit card details.

We record no personal information unless you voluntarily supply that information by sending an email, or requesting contact or information to be supplied. We use our database of clients and prospects for marketing purposes. We only use this information in privacy-compliant ways for our internal marketing purposes held within our secure database.

We do not share our database with any external organisations or companies.

As a consumer, you have rights over the use and dissemination of information about you. The National Privacy Principles form the basis of the Privacy Amendment (Private Sector) Act 2000, which protects your rights and puts clear obligations on companies concerning how they can and cannot use personal information. Smart IT Pty(Smart IT Pty Ltd) adheres to these Guidelines.
